About Me

I've loved taking pictures since the day I bought my first camera. My love for my home city and state inspires me. I have photographed many subjects, scenes, and moments throughout the state and region. There's a picture around every corner. I am surrounded by natural beauty and interesting people. I use my camera to document the world and then print images focusing on the magic I find daily. My pictures tell my stories.

Weddings

Our wedding packages are straightforward - we have only one. For \$1,075, you receive the following:

- Time: From the bride's prep through the reception afterward.
- A wedding album with 150 prints that tell the story of your special day.
- A video slideshow of the 150 prints in your album, set to music.
- A DVD with EVERY picture taken during your special day AND a copyright release permitting you to use the digital files any way you see fit.

Children and Families

Are your kids growing up too fast? Do you constantly wish you had more full family photos? A family or children's photo session may be for you! My goal for each photo session or event is to create a casual and relaxed environment, allowing me to capture the personality of each family. Each package includes the sitting fee.

Candid and Group Photos

For a \$125 fee, we will take candid and group photos as requested throughout the evening. These photos will be available for purchase on our website.

Sports Photography

Events - Teams - Individuals

For those active souls, we will photograph your feats and adventures.

INDIVIDUALS - \$100

Youth sports game. We will photograph one hour of a game, focusing on one player. The photo session includes the photo shoot, a private online gallery, (1) 8x10, (2) 5x7, and (8) wallets, and a DVD slideshow to music.

MEMORY MATES - \$100

The \$100 team sitting fee includes team and individual photos. Memory Mates pairs the individual's portrait with a team photo on an 8x10 print, priced at \$10 each. Individual player and team photos are also available. If your session is before a game, we will stay and photograph your game. Action shots will be available for purchase on our website.
